PRODUCT DESCRIPTION

Rembrandt® Extra Aged Gouda is 100% natural and masterfully crafted from the milk of grass-fed cows. Traditionally ripened for one year, it is made from an exclusive Dutch Gouda recipe, a traditional approach that was specially created for producing and maturing the cheese in a classic, natural way. This award winning Dutch cheese has the sharpness of an aged Gouda, balanced with a smooth, firm texture. It has a golden color and subtle caramel flavor. It is a true Dutch Masterpiece.
